Mr. James Semler
75 West 135 St.
New York City

Dear Sir:

Your letter of July 21st just received.

I am enclosing you a copy of the letter I am sending at this time to Mr. John L. Clark, which is an answer to one received from him.

About the Yankees - Eagles games, if The Yankees will not come to Newark to play on the 14th, The Eagles will of course not come to Randall's Island on the 28th. The Eagles will be unable to play in Ruppert Stadium Thursday August 11th, as the park is having work done on the lights. The work was to be done this week but rain has prevented it.

If I do not receive an answer from you in the next couple days I will assume you are cancelling out all Eagles- Yankees games, and will proceed to make other arrangements to play. Such a move on your part will not surprise me in the least as you have cancelled so many in the past.

Very Truly Yours

Effa Manley
